PART

Introduction

Chuanghe Fastener Co., Ltd (CHE) ,a professional manufacturer , which is engaged in the design and development , production and sales of metal parts. Our production range includes CNC processing center, automatic lathing, automatic milling, wire cutting, powder metallurgy processing and assembly of metal parts with plastic parts. Our products are mainly customized producing by customer's incoming drawing.

The accessories we produce are widely used in the fields of Automotive , Electronics , Electric Equipment , Communication Devices , Consumer Electronics , Optical Devices , Military Project , Medical devices and other industries.

CHE is IATF16949 Certified.And we have implemented a policy of continual improvement.We are committed to improve our company's core competitiveness,so as to maintain a leading level in the industry continuously.

We aim to provide our customers with worry-free service,and create win-win situation,all of this has gained CHE high reputation among our customers.

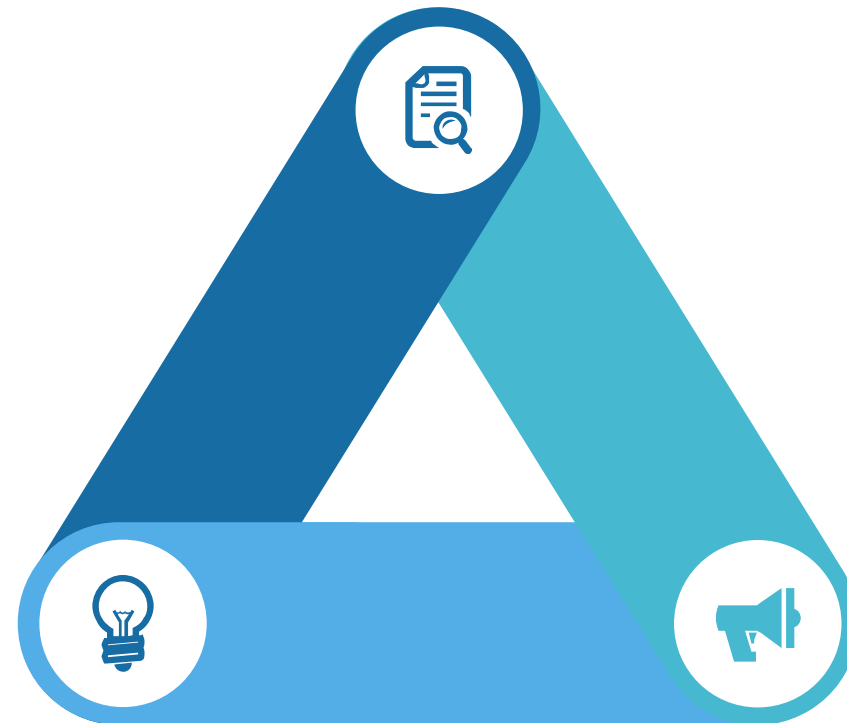

02

PART

Culture

**Whether it is a small step or a big step,
we should use capital and intellectual
capital to promote industrial progress
and upgrading in the field of industrial
product segmentation.**

Mission

Visions

**Become an excellent
industrial group company in
the field of industrial
product subdivision.**

Values

**Righteous, Thoughtful,
Science, Transcendence,
Sharing, Service.**

Righteous

- We are resolutely opposed to:
- Break the laws and rules ,damaging the interests of the company and hurt others , form cliques and cronyism.
- We should:
- Be fair and utilize talents , take good care of yourself , honesty and trustworthiness , don't shirk your responsibility and spread negative, do something good for society.
- We actively advocate:

Science

- We are resolutely opposed to:
- Always do something by experience , not by practice, Direct copy ,go with your gut.
- We should:
- Adhere to systematicness and availability , respcet facts and objective laws , close to the scene , full plan the process and make good use of tools and methods.
- We actively advocate:
- Full of exploration spirit , bold imagination and careful proof.

Sharing

- We are resolutely opposed to:
- Be self enclosed , refusal to cooperate and not share with others
- Don't want pay , just want to get
- We should:
- Adhere to opening and cooperation , build the platform , aggregate internal and external resources , interworking and amalgamation , create shared value continuously.
- We actively advocate:
- Be willing to share , achieve others and benefit society.

Thoughtful

- We are resolutely opposed to:
- Be sloppy, tardy, perfunctory, and always make mistakes.
- We should:
- Do your job , be diligent and attentive , pay attention to details and to keep improving.
- We actively advocate:
- Put your heart and soul into it.

Transcendence

- We are resolutely opposed to:
- Always do something by experience , not by practice,
- Direct copy ,go with your gut.
- We should:
- Adhere to systematicness and availability , respcet facts and objective laws , close to the scene , full plan the process and make good use of tools and methods.
- We actively advocate:
- Full of exploration spirit , bold imagination and careful proof.

Service

- We are resolutely opposed to:
- Have bad attitude , do something harmful to the customers interests.
- We should:
- Do not be self-abasement, haughty, lazy, arrogant, insatiable.
- We actively advocate:
- Its a blessing to suffer loseers , be righteous to commercial transaction,
- Keep good faith , unfly belief , always treat everyone equally.
